		<table border="1"> <thead> <tr> <th>Approach 1</th> <th>Approach 2</th> <th>Approach 3</th> </tr> </thead> <tbody> <tr> <td>Principal / Dean Academics conducts Feedback session on every class once in a semester, in an indigenously designed feedback form, and feedback in respect of every theory course, laboratory / tutorial Course as well as general problems is collected.</td> <td>By the end of every Semester indigenously Designed questionnaires are provided to every student and course wise feedback is collected.</td> <td>In addition, HOD discusses with class representative and 2-3 Students from every class, twice during the semester, for their feedback about the teaching by the teacher and status of syllabus coverage in respect of every course.</td> </tr> </tbody> </table>	Approach 1	Approach 2	Approach 3	Principal / Dean Academics conducts Feedback session on every class once in a semester, in an indigenously designed feedback form, and feedback in respect of every theory course, laboratory / tutorial Course as well as general problems is collected.	By the end of every Semester indigenously Designed questionnaires are provided to every student and course wise feedback is collected.	In addition, HOD discusses with class representative and 2-3 Students from every class, twice during the semester, for their feedback about the teaching by the teacher and status of syllabus coverage in respect of every course.
		Approach 1	Approach 2	Approach 3				
Principal / Dean Academics conducts Feedback session on every class once in a semester, in an indigenously designed feedback form, and feedback in respect of every theory course, laboratory / tutorial Course as well as general problems is collected.	By the end of every Semester indigenously Designed questionnaires are provided to every student and course wise feedback is collected.	In addition, HOD discusses with class representative and 2-3 Students from every class, twice during the semester, for their feedback about the teaching by the teacher and status of syllabus coverage in respect of every course.						
3	Percentage of students participating	$\geq 90\%$						
4	Specify the feedback Analysis process	<p><b>1. Analysis in respect of Feedback conducted by Principal,</b></p> <p><b>Dean Academics:</b> Feedback given by students in respect of every course as well as general problems is analyzed by the Principal, Dean Academics and the concerned HOD, by involving the concerned faculty members and staff. I. For problems related to course, review of feedback regarding faculty is done by Principal, Dean Academics and the concerned HOD in presence of concerned class coordinator, Class representative and faculty members. Accordingly, relevant corrective measures are employed.</p> <p>II. For general problems, an action to be taken report is prepared with the details of action to be taken, by what date duly signed by the concerned. These reports of each class are uploaded on the ftp for transparency and follow-up.</p> <p><b>2. Analysis in respect of Feedback collected through Questionnaire:</b> It is done at departmental level and same is brought to the notice of the concerned faculty members with instructions for corrective steps wherever required.</p> <p><b>3. Analysis of feedback sought by HOD:</b> Analysis of feedback sought by HOD with class representative and 2-3 students from every class is done at his level and as per the requirement corrective measures are taken, e.g. change of teacher, arranging additional lectures / practical's etc.</p> <p><b>4. Suggestions</b> Suggestions received through suggestion box are analyzed at departmental level and corrective measures are employed.</p>						
5	Basis of reward / Corrective measures, if any	<p>For feedback related to courses, wherever it is found that feedback is not up-to-the mark, the following corrective measures are employed:</p> <ol style="list-style-type: none"> <li>1. During review of feedback, Individual level counseling of the faculty is done and instructions are given for improvement.</li> <li>2. Depending upon the gravity of the situation, Teacher is changed for a particular subject.</li> <li>3. Training programmes are organized for faculty members.</li> </ol>

### • **Games & Sport Facilities:**

Fabtech Technical Campus propagates sporting activities, as an energy booster, since the mental development as well as physical development is equally essential. The college has thus constituted a sports cell with guidance provided coaches and sport persons of professional repute. The cell promotes several indoors and outdoors sports activities to keep the students physically fit mentally alert. All infrastructures facilities for Sports and Games are funded by Fabtech Technical Campus management. It encourages students by conducting special events annually that includes encouraging students by rewarding them through conducting tournaments etc.

#### **An indoor Sports facility includes;**

1. Chess
2. Caroms
3. Badminton(2 courts)
4. Table tennis (2 courts)
5. Boxing

#### **An outdoor Sports facility includes;**

- **TEACHING LEARNING PROCESS**

The institute is affiliated to AICTE and implements the curriculum of Solapur University and Dr Babasaheb Ambedkar University, Lonere( DBATU).

For the effective implementation of the curriculum, the college has developed following process.

The Principal conducts regular meetings to plan programs and key issues in tune with the vision, mission of the institute.

Decisions are communicated at length to entire faculty and student body through notice board and classroom announcements.

Vision, mission is displayed on college website <http://www.fabtecheducation.com>. It is displayed at various places in college premises such as, college canteen, library, seminar halls, workshop ,laboratories, HOD cabins.

Implementation

The Principal conducts meetings at length with faculty and encourages them to adopt effective and innovative teaching methods.

The principal encourages faculty members to participate in workshops, seminars and short term training programs organized by university and other expertise institutes and industries to sharpen and enhance field oriented teaching.

The institute prepares academic calendar according to University academic calendar. And subjects are allotted well before the commencement of classes so that staff finds ample time in preparing the subjects collecting NPTEL videos, power point presentations and planning interactive sessions.

Time table is prepared according to university norms.

Every faculty prepares object oriented teaching plan, question bank,

Plan of subject related NPTEL videos show, The teaching plan and laboratory plan is made by every faculty which is approved by Head of the department in the beginning of semester .Every faculty conducts lecture to achieve program educational objective and program objective of the institute.

The institute library provides enough books and other teaching materials like teaching models, journals, magazines. The digital library is main e-learning resource for students .The students listen and watch video lectures in digital library. A spacious, grand study room is attached to library which is kept open late night for the students.

The institute has established MOUs with reputed organizations to promote aptitude, innovation and training of students.

Every department implements Guardian Faculty Member scheme in which every faculty is assigned 20 students for close counseling and problem solving of students.

The institute has framed academic monitoring committee for effective implementation of curriculum. Academic monitoring committee includes Principal, academic dean ,HODs and class coordinators and senior faculty members to ensure effective conduction of classes as per time table.

Syllabus review is collected from classes in the middle of every semester for timely and effective completion of syllabus.

Subject feedback is taken in middle of each semester and proper actions are taken to improve teaching -learning process.

Remedial classes are conducted for late admissions in first year and lateral entry students in second year.

Academic diary is verified at the end of every month by academic monitoring committee.

Institute invite subject experts from various reputed engineering colleges and industry and organize guest lectures.
