## **Orientation Program on Library Facilities**

### **For F.Y. B.Tech and D.S.Y. B.Tech Students**

**Program Title:** Orientation Program on Library Facilities

**Venue:** Central Library, Fabtech Technical Campus, College of Engineering and Research, Sangola

**Date:** 16/09/2025

**Organized by:** Central Library, Fabtech Technical Campus, COER, Sangola

#### **Introduction:**

The Central Library of Fabtech Technical Campus, College of Engineering and Research, Sangola organized an Orientation Program on Library Facilities for the newly admitted First-Year B.Tech (F.Y. B.Tech) and Direct Second-Year B.Tech (D.S.Y. B.Tech) students on 16/09/2025

The objective of the program was to introduce students to the various library facilities, resources, rules, and services, and to motivate them to utilize the library effectively for their academic and research development.

#### **About the Library:**

The Central Library of Fabtech Technical Campus serves as the knowledge hub of the institution. It supports teaching, learning, and research activities by providing a wide range of textbooks, reference books, journals, magazines, newspapers, and digital learning resources covering all engineering disciplines.

## Library Facilities:

- 1. Reading Hall:** A large, peaceful, and well-furnished reading area for students.
- 2. OPAC (Online Public Access Catalogue):** A computerized system that helps users search and locate books easily.
- 3. Digital Library:** Provides access to e-books, e-journals, and online databases such as NPTEL, DELNET, and NDLI.
- 4. Book Lending Service:** Facility to issue, renew, and return books using library ID cards.
- 5. Wi-Fi and Computer Access:** Enables students to browse and download academic materials.
- 6. Library Rules and Regulations:** Students were informed about timings, membership, borrowing limits, and discipline in the library.

## Program Details:

The session began with a welcome address by Prof. Sudhir R. Mali, Librarian, who introduced the students to the library's objectives, organization, and services.

Prof. Mali gave a detailed presentation explaining how to use the OPAC system, access digital resources, and search for reference materials effectively. A live demonstration on e-resources and online databases was also conducted.

Students actively participated in the session and interacted with the librarian and staff to clarify their queries regarding book issues, renewals, and e-library access.

## **Participants:**

Approximately 267 students from F.Y. B.Tech and D.S.Y. B.Tech programs attended the orientation program. Faculty members and library staff were also present to guide and assist the students.

## **Outcome:**

The orientation program was informative and beneficial for the new students. It created awareness about the wide range of facilities and resources available in the Central Library and encouraged students to use both print and digital materials efficiently.

## **Conclusion:**

The Orientation Program on Library Facilities organized by the Central Library of Fabtech Technical Campus, College of Engineering and Research, Sangola under the guidance of Prof. Sudhir R. Mali, Librarian, was highly successful.

It helped new engineering students become familiar with library resources and services, and motivated them to develop reading and research habits. Conducting such programs regularly will further strengthen students' academic foundation and promote effective use of library resources.
