### Energy Conservation Day Celebration – 14th November

On the occasion of Energy Conservation Day, the Electrical Engineering Department conducted an awareness session in FABTECH Public school Sangola focusing on the importance of energy conservation. The event included:

1. Interactive Session on Energy Conservation: Highlighting practical strategies and technologies to save energy in daily life and industry.

2. Energy Conservation Pledge: Participants committed to adopting sustainable practices for a greener future.

"I pledge to conserve energy in every aspect of my life. I will switch off lights, fans, and appliances when not in use and promote the use of energy-efficient devices. I commit to adopting renewable energy solutions wherever possible and raising awareness about energy conservation. Together, we can build a sustainable future and protect our planet for generations to come."

3. Certificate Distribution: Certificates of participation were awarded to attendees, recognizing their dedication to energy conservation.

This initiative aimed to empower students and staff with knowledge and inspire them to contribute towards building a sustainable and energy-efficient society.
