Description of Activity: An Guest Expert Lecture on "Civil Engineering: From Passion to Profession" was organized to guide students about career opportunities in government sectors and competitive examinations. The session covered government job opportunities in departments such as PWD, CPWD, Irrigation, Municipal Corporations, Railways, and other public sector organizations, along with recruitment examinations such as MPSC, UPSC, SSC JE, and GATE. The lecture highlighted the importance of technical knowledge, competitive exam preparation, problem-solving skills, and awareness of government recruitment procedures. It helped students understand various career pathways in government engineering services and inspired them to transform their passion for civil engineering into a successful profession through dedicated preparation and continuous learning.
