**FROM
CHAIRMAN'S
DESK...**

Presently, a knowledge explosion is being used ushered in our midst especially in Engineering and technology. The joy and experience shared on our campus ensure the growth and development of the overall personality of all the students alike. It is great to notice interesting events taking shape frequently at our campus. All of us are equally delighted to witness the happenings of significant events and tremendous achievements. I wish to record my hearty congratulations to those who have brought laurels to the institution and I appreciate all of you for working together as a team. I am sure, it is just a beginning and there is a lot, more to be happening. Go ahead and continue the good work.

Hon. Bhausaheb A. Rupnar

**FROM EXECUTIVE
DIRECTOR'S
DESK...**

We are on a mission to bring the finest education to our students. This newsletter is an attempt to keep our students and their guardians informed about the various activities going on in our campus community. It is important for us that all students stay involved in campus activities because it helps in their overall development. It is also a means to disseminate relevant information and keep the community updated. Our students and alumni have been achieving various milestones in their careers which make us really proud. We also wish to appreciate such students and alumni through this newsletter. I want to appreciate our staff and the students involved in this newsletter initiative and I look forward to the future volumes.

Hon. Ameet B. Rupnar

**FROM CAMPUS
DIRECTOR'S
DESK...**

I am delighted to know that our college newsletter carrying the campus news and the achievements of our staff and students, who earn credits for the institutions, is being released. Four years of engineering education at FTC COER will not only earn students a degree but will transform students' personality and creativity, empowering them to lead a successful life. On this gracious occasion I wish all the best to those who are responsible for bringing out this letter. On reading this text, it would definitely be an inspiration and motivation for the other students and staff to perform better and add on their contributions in the forthcoming issues. Congratulations to all the contributors.

Hon. Sanjay N. Adate

**FROM
PRINCIPAL'S
DESK...**

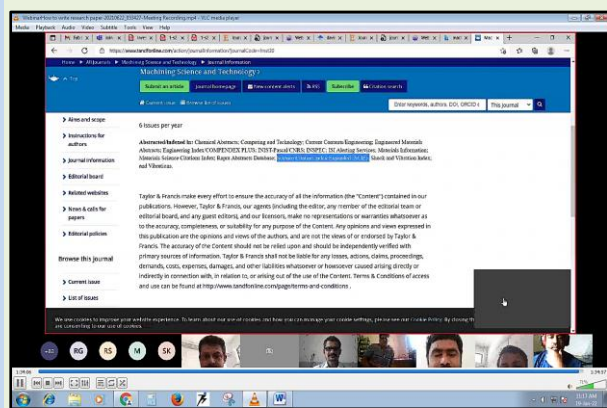

The FTC COER has been functioning with its own vision and mission to produce quality Engineers who will be playing a proactive role in society. Apart from imparting best quality technical education through teaching-learning, laboratory classes, and self-study methodology, we are committed to ensuring that students of Fabtech Technical Campus become good at communication skills, team work, and decision-making abilities. The staff members are encouraged to maintain their intellectual curiosity & improve their technical expertise through staff development programs. Students are motivated to enhance themselves ethically, physically, & intellectually.

FE STUDENT ORIENTATION PROGRAM

The transition from school to college life is a one of the most challenging events in a students' life. The Department of General Science, organized an offline Student Induction Program (SIP-2021). The purpose of the Student Induction Program is to aware about engineering culture and the ethos about institution. It helps them to build cordial relationships among students and faculty members. The SIP-2021 was conducted from 20th to 29th of December, 2021 under the

guidance of Principal Dr. Shendage R. B. and Prof. Gavade, HOD, Department of General Science. Prof. Torane S. N., Prof. Lokare S. S., Prof. Kolekar S.S., Prof. Patil R. A., Prof. Mallad H. M., Prof. Shejal S.B, Prof. Jadhav D.V., Prof. Dhon S. A, Mr .Sudhir Mali, Dr S. S. Nikate, Prof. Dounde P. P. are explained department wise information.

WORKSHOP ON FUSION 360 SOFTWARE

Prof. Jakukore V. S. of the Mechanical department organized a workshop on “Fusion 360 Software” for the second and third year student as well as faculty on 31st December 2021. The resource person is Mr. Vijaykumar Revankar, Managing Director of Tech Mantra. A total of 44 candidates are participated in it. The objective of workshop is to know the intelligent 3D modeling, generative designing and shape optimization.

CAREER GUIDANCE PROGRAM (IN AIDS)

The department of Artificial Intelligence (AI) & Data Science Engineering organized a webinar on “Career Opportunity in Artificial Intelligence & Data Science” for a student and the staff on 07th September 2021 through an online mode. The Speaker was Dr. Ajay V. Deshmukh, Ph.D. (IIT Bombay) former Principal and industry consultant. A total of 147 students and staff participated in it. The speaker explained in detail about the Career Opportunity in Artificial Intelligence & Data Science which is future need of industry.

Q SPIDER TRAINING

FTC COER, Sangola organized training for all Final Year 2022 batch students. This training was held by Q Spider, Bangalore Company which provides both Training and Placement opportunity for all the trained students. The Aptitude test, Soft skill, Java Programming was started in

two batches. A batch 1 included Mechanical, Civil and ENTC engineering branch students. A batch 2 included CSE and Electrical Engineering students. After 60 hours of each batch training i.e., on the 15th January, 2022 SQL training was started for all the students. Total four trainers were involved namely as Mr Arun, Mr. Ajay, Mr Satish and Mr. Tejas. During this process Training and Placement department continuously monitoring and tracking the students for their attendance, online unit tests and Placement opportunities with help of all TPO co-ordinators. Weekly tests are conducted and results were used to display after the test. The glimpses of the activities are as shown below.

STUDENT ACHIEVEMENT

Mr. Ravi Dattatray Phadtare student of Electrical engineering department qualified GATE 2021 with score 41.67.

FACULTY SECTION

FACULTY DEVELOPMENT PROGRAMME (FDP)

The Fabtech Technical Campus organizes three days FDP for all faculties from 29th January, 2022 to 31st January, 2022. The resource person was Dr. Priya Jagtap from Aspiring Careers. She was a mix of academic and practitioners in the field of education. The faculty development programme was conducted to promote faculties to act as a facilitator in their respective institutions. Different pedagogical aspects of education were introduced in the programme. In addition, diverse resources are available to start an education programs in their respective institutions were also a part of the programme.

Inauguration and Felicitation of Resource Person

Programme content includes developing an entrepreneurial mindset, educationalist process, opportunity identification and developing healthy environment. In the FDP, resource person with different background utilized various pedagogy,

methods related to education. The lectures, participatory method, simulation, experiential learning was used in the FDP.

Group Activities

WEBINAR ON TRANSFORMATION FROM TEACHER TO MENTOR

The civil Engineering department organized a two days webinar on "Transformation from Teacher to Mentor" for the engineering campus and off campus faculties, on 8th and 9th November 2021 through an online mode.

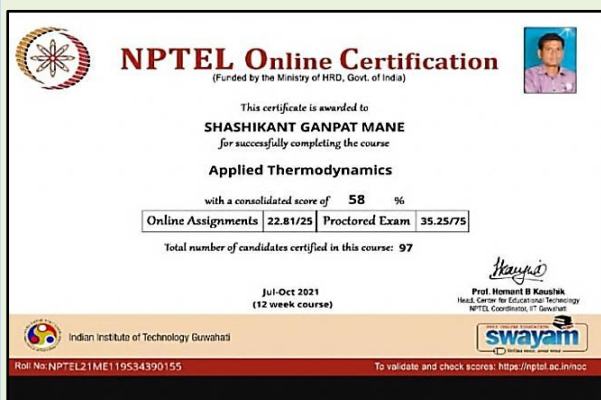

Screenshot of Ongoing Webinar

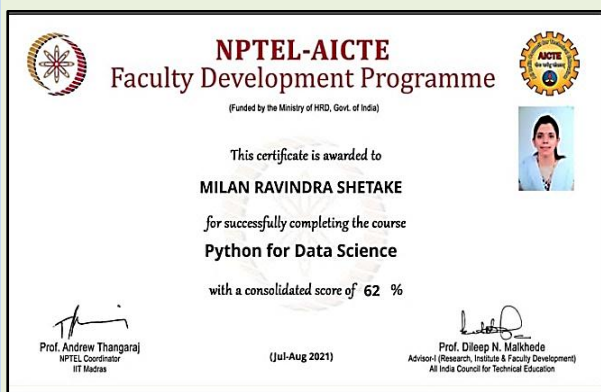

The Speaker was Dr. Ajay Deshmukh, IIT fellow from Nagpur, Mrs Pallavi Soman, a well-known educationalist from Pune and Mrs. Sneha Sapre, Project Coordinator Bhaskaracharya Pratisthan, Pune. A total of 81 faculties have participated in it. The speaker was explained in detail how the teachers play an important role to create a mentor from the teacher to guide the students and the society.

NPTEL COURSES COMPLETED BY FACULTY

➤ Prof. Mane S. G. completed a NPTEL certification course on “Applied Thermodynamics” with a score of 58%.The duration of the course is 12 weeks.

➤ Prof. Milan Ravindra Shetake of the Computer department completed an NPTEL certification course on the “Python For data Science” with a score of 62%.The duration of the course is 12 weeks.

INTERACTION WITH OUTSIDE WORLD

➤ Prof. Mane S. G., participated & completed successfully AICTE Training and Learning (ATAL) Academy Online Elementary FDP on "Alternative fuels :Biofuels" from 4th to 8th October, 2021 at P D A College of Engineering Kalaburagi. He is also completed successfully FDP on "Innovation Management" from 6th to 10th September 2021, at BATU, Lonere.

➤ Prof. Kulal S. D., of the mechanical department, participated & completed successfully AICTE Training and Learning (ATAL) Academy Online Elementary FDP on "Issues Related to Power Plant" from 25th to 29th October 2021 at Government Engineering College Bilaspur. He is also participated & completed successfully FDP on "Alternative fuels: Biofuels" from 4th to 8th October 2021 at P D A College of Engineering Kalaburagi.

➤ Prof. Sampath Kumar Bodapatla participated in a 5 days National Level Online Technical Test starting from 26th to 30th October, 2021 on Control System and passed with a score of 55% organized by the PITS-IEI student chapter of the Department of Electrical and Electronics Engineering.

➤ He has also participated in 5 days international workshop started from 6th to 10th December 2021 on “Wavelets

& It's Applications: Image Processing, Data Science and PDFS" Manav Rachna University Faridabad, India in collaboration with department of mathematics, IIT Indore, India. He is also participated in an FDP on "Innovation Management" from 6th to 10th September 2021 as well as "Applications of Machine Learning and Soft Computing to Electrical Engineering" from 8th to 13th November 2021.

➔ Prof. Dudhal K.M. of the Civil Engineering Department completed a Faculty Development Programme on "Tools for Research and Scientific Communications" from 20th to 24th September 2021, organized by the Institute of Aeronautical Engineering (Autonomous) Dundigal, Hyderabad, Telangana, India - 500043.

➔ He is also participated on a webinar of "Apportunities for Engineers" on 18th January 2022 at Fabtech Technical Campus, College of Engineering and Research.

➔ Prof. Pawar S. A. of mechanical department has attended a Week Online

STTP on "Emerging Trends in Thermal Engineering" from 14th to 19th June 2021 Sponsored by ASHRAE Pune Chapter, organized by Department of Mechanical Engineering, SVERI's College of Engineering, Pandharpur, Maharashtra.

➔ He is also completed successfully AICTE Training and Learning (ATAL) Academy Online Elementary FDP on "Innovation Management" from 6th to 10th September at BATU, Lonere.

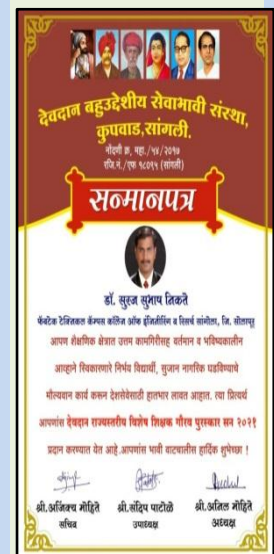

FACULTY ACHIEVEMENTS

Vishesh Shikshak Gaurav Purskar-2021

On the occasion of Teacher's day 2021, declared the "Vishesh Shikshak Gaurav Purskar-2021" from Devdan Bahuddeshiy Sevabhavi Sanstha, Kupwad Dist: Sangli to Dr. S. S. Nikte and he received it on 10th October 2021.

Award Distribution Ceremony

Ph.D Guideship of BATU, Lonere

Dr. S. S. Nikte, department of Basic Sciences and Humanities has been recognized as a Ph.D. guide of Dr. Babasaheb Ambedkar Technological, Lonere under the Faculty of Science in Physics (Letter No. DBATU/Academic/Dean/2021/01 Dated as 03/09/2021).

Best Paper Award

Prof. Maduri Dadaso Surwase of Computer Engineering department has received the "Best Paper Award-First titled Secure Conserving Multiple Keyword Ranked Search over Encrypted Cloud Data" in the International Conferences on Recent Emerging Science, Engineering & Advanced Research In communication and Helth-2021(ICRESEARCH-2021) organized AVIT of VMRF, Paiyanoor, Chennai.

BOOKS & PUBLICATIONS

Dr. S. S. Nikte is one of the authors of a textbook book entitled "Engineering Physics" by Tech-Neo Publication.

This book covers the new syllabus of Engineering Physics for the first year of engineering (semester-1 and 2) course of "Dr. Babasaheb Ambedkar Technological University, Lonere" which has been effective since the academic year 2020-2021.

Dr. R. B. Shendge is one of the authors of a textbook book entitled "Engineering Mechanics" by Tech-Neo Publication. This book covers all important things of engineering mechanics subject. All the concepts are explained in a very simplified way. It also helps to understand the fundamentals of mechanics.

Dr. Shendge, Dr. Kanase, Dr. Dhaigude & Mr. Sahebagouda are published a paper on "EDX Analysis of PVD Coating on Carbide Cutting tool" in Design Engineering ISSN: 0011-9342 Issue: 7 Pages: 15189-15193 Year 2021.

फॅबटेक टेक्निकल कॅम्पसमध्ये जागतिक मराठी भाषा संवर्धन पंधरवडा निमित्त व्याख्यान संपन्न

सांगोला (प्रतिनिधी): - दि. १४ जानेवारी ते २८ जानेवारी महाराष्ट्र शासनाने जागतिक मराठी भाषा संवर्धन पंधरवडा घोषित केला आहे. याचे औचित्य साधून फॅबटेक टेक्निकल कॅम्पसच्या अभियांत्रिकी, पॉलिटेक्निक, फार्मसी, या सर्व विद्याशाखांमध्ये जागतिक मराठी भाषा संवर्धन पंधरवडा साजरा करण्यात आला. या कार्यक्रमाची सुरुवात प्रमुख पाहुणे प्रा. सुनील नटे यांच्या हस्ते विदेची देवता सरस्वती यांच्या प्रतिमा पूजनाने करण्यात आली. या

आणि मातृभाषा हे तीन घटक आपल्या जीवनात खूप महत्त्वाचे आहेत. मराठी भाषेमध्ये सर्वात महत्त्वाचा भाग म्हणजे भावना आहे. विद्यार्थी मराठी पुस्तके वाचली पाहिजेत, कसे जगवे हे मराठी भाषा शिकविणे, जगाण्यातले सौंदर्य मराठी भाषा शिकविणे. असे त्यांनी यावेळी सांगितले. या कार्यक्रमाचे आयोजन आनंदाईन व ऑफलाईन पद्धतीने करण्यात आले होते. हा कार्यक्रम कोविड १९ च्या प्रादुर्भावामुळे सर्व शासकीय नियमांचे पालन करून वसुंधरा पार पाडण्यात आला. हा कार्यक्रम संस्थेचे चेअरमन श्री. भाऊसाहेब रुपनर, संचालक श्री. दिनेश रुपनर व कॅम्पस डायरेक्टर श्री. संजय अदाटे यांच्या मार्गदर्शनाखाली व अभियांत्रिकीचे प्राचार्य डॉ. आर.बी. शेंडगे, पॉलिटेक्निकचे प्राचार्य प्रा. शरद पवार, फार्मसीचे प्राचार्य डॉ. संजय बैस, अकॅडॅमिक डीन प्रा. टी. ए. जगताप, कार्यक्रमाचे समन्वयक प्रा. संगीता खंडगळे यांच्या उपस्थितीत पार पडला. या कार्यक्रमासाठी शिक्षक, शिक्षकेतर कर्मचारी उपस्थित होते. मुख्यमंचाल सनन्वयक प्रा. संगीता खंडगळे यांनी केले.

फॅबटेक मधील विद्यार्थ्यांस मिळाले ७ लाखाचे वार्षिक पॅकेज

सांगोला (प्रतिनिधी): - कॅम्पस प्लेसमेंट बाबतीत अग्रेसर असणाऱ्या फॅबटेक इंजिनिअरिंग कॉलेज मधील इलेक्ट्रॉनिक्स अँड टेलीकॉम्युनिकेशन विभागातील सुनील सोलनकर या विद्यार्थ्यांची असेंचर या मल्टिसेक्टर कंपनीमध्ये निवड झाली असून त्याला वार्षिक ७ लाख रुपयांचे पॅकेज मिळाले असल्याची माहिती इंजिनिअरिंग चे प्राचार्य डॉ. रवींद्र शेंडगे यांनी दिली.

असेंचर हि आयटी सेक्टर मधील अग्रगण्य कंपनी असून हि कंपनी सॉफ्टवेअर व हार्डवेअर व सर्विस पुरविण्याचे काम करते त्यामुळे विद्यार्थ्यांना निवड करण्यासाठी सतत प्रयत्नशील आहे. असे संस्थेचे चेअरमन व मॅनेजिंग डायरेक्टर श्री. भाऊसाहेब रुपनर यांनी सांगितले.

निवड झालेल्या या विद्यार्थ्यांचे त्यांनी अभिनेंदन करून पुढील कारकीर्दीस शुभेच्छा दिल्या. यावेळी संस्थेचे कार्यकारी संचालक श्री. दिनेश रुपनर, कॅम्पस डायरेक्टर श्री. संजय अदाटे, फार्मसीचे प्राचार्य डॉ. संजय बैस, अकॅडॅमिक डीन प्रा. तात्यासाहेब जगताप, इलेक्ट्रॉनिक्स इंजिनिअरिंग अँड टेली कॅम्पसचे प्रमुख डॉ. साहेबाजी सांगमाजीकर यांनी सांगितले.

PLACEMENT SECTION

A flower has bloomed at the spectaculars Garden of Fabtech technical campus. The contribution of each one of the petals is most important for the overall development of the System. In this contest, the Department strives to nurture the technical skills and soft skills for all the students unless and until they are job ready. The Training and Placement Cell bridges the gap between Industry and Institution by adding value-added programs (VAP) right from first year to final year Engineering students. "Where there is a Unity there is integrity" with this emblem and the support of all coordinators and staff we could even do better in the coming days.

ALUMNI TALK WITH FINAL YEAR STUDENT

Alumni interact with BE students

The Alumni Talk was conducted on 15th January 2022 by Miss. Shubhangi works with TCS and Miss. Prabhavati works with Brisel. Both alumni were studied in our college. They were addressed to the students during training and motivated them for the placement and training activities. They spoke about the value of trainings and the skills expected from the industries.

ALUMNI CONTRIBUTION TOWARDS INSTITUTE

“Career opportunity for Engineers” Webinar was arranged for all engineering students which helps to choose the right career in the field of research, company or higher study in abroad by our alumni Er. Nikhil Ankush Gaikwad on 18th Janaury 2022 at 7pm to 8pm. The program was inaugurated by water the plant, a welcome speech. He explained the ways to make a career abroad with a scholarship for higher study. Mr. Nikhil Gaikwad interacted with our students actively and they were happy with the overall online session. Prof. Pradip Pawar nicely arranged this overall session with the coordination of all the TPO and Alimni Coordinators. Around 200 participants were present in this webinar.
